PARKDALE METROPOLITAN DISTRICT NO. 2
2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for Boulder County on May 11, 2018 and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under a Service Plan approved by the Town of Erie on October 24, 2017. The District's service area is located entirely within the Town of Erie, in Boulder County, Colorado.

The District was established, in conjunction with Parkdale Metropolitan District Nos. 1 and 3 (along with the District, the "Districts"), to plan for, design, acquire, construct, install, and finance certain public improvements.

Pursuant to the Amended and Restated Service Plan, the Districts are permitted to issue bond indebtedness in an aggregate principal amount not to exceed \$100,000,000. In the future, the Districts may issue a portion or all of the remaining authorized but unissued general obligation debt for purposes of providing public improvements to support development as it occurs within the Districts' service area; however, as of the date of this budget, the amount and timing of any debt issuances is not determinable.

The District has no employees and all administrative functions are contractual.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and, generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The District's Amended and Restated Service Plan allows for a maximum operating mill levy of 15.000 mills, to be adjusted for changes in the method of calculating assessed valuation that occur after January 1, 2017. The method of calculating assessed valuation of residential property in the State of Colorado changed from 7.20% to 7.15% on June 3, 2019. Accordingly, the District's maximum operating mill levy has been adjusted to 16.699 mills.

The District's Amended and Restated Service Plan allows for a maximum debt mill levy of 50.000 mills, to be adjusted for changes in the method of calculating assessed valuation that occur after January 1, 2017. The method of calculating assessed valuation of residential property in the State of Colorado changed from 7.20% to 7.15% on June 3, 2019. Accordingly, the District's maximum debt mill levy has been adjusted to 55.663 mills.

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues (continued)

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 4% of the property taxes collected.

Expenditures

Transfer to Parkdale Community Authority

The District will transfer net tax revenues generated from its operation mill levy to Parkdale Community Authority to help pay for administrative expenditures.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

Debt and Leases

The District has no debt or operating or capital leases.

Reserves

Emergency Reserve

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all funds received by the District are transferred to Parkdale Community Authority, which pays for all Districts' operations and maintenance costs, an Emergency Reserve is not reflected in the District's Budget.
